

# DELHI YOUTH EQUITY FORUM

towards empowering the socially excluded young people to achieve their full potential and through them enable an equitable and inclusive space to find the rightful place in youth development.

Mission is to Educating and organizing socially excluded youth (SC/ST, MUSLIM, NT/DNTs) towards youth development and youth for development.

In 2018, the Delhi Youth Equity Forum aimed to bridge the gap between opportunities and socially excluded young people in Delhi who were unable to reach their full potential. To address this, we created the Ambedkar Students Platform for Inclusive and Right-Based Education (ASPIRE). ASPIRE provided an inclusive space where we supported the growth and opportunities of young individuals through our fellowship program.

Initially, we identified 20 young people and focused on enhancing their leadership skills, employability, and involvement in governance. We also trained them to establish their own community or group, fostering a collaborative environment for learning and working together.

## SELF

ASPIRE Fellowship begins with the youth, where they come and engage together and work on self towards

- In which we made 20 youth profiling.
- They come together build their skills to meet their full potential

## SOCIETY

While working on themselves, the youth start engaging their local community towards Personality Building. And help their community to different govt policies.

## GOVERNANCE

Objective of all the activities and programs in the fellowship are based on how it will affect the governance.

# With 20 young people

## Capacity building

Capacity towards Interpersonal skills like theatre, music, designing, art and documentation and reporting.

## Right to education Campaign

Section 12(1)(c) of the Right to Education Act, mandates that private unaided schools reserve 25% of their seats for children belonging to economically and socially disadvantaged backgrounds.

The fellows involved in the program first developed their own technical skills to fill online application forms and also gained awareness about the provisions of Section 12(1)(c) of the RTE Act. This enabled them to assist people in filling out the application forms of people for free, admission to private unaided schools under the quota.

## Higher Education Link Program

The Higher Education Link program involves fellows going into small communities and assisting individuals in filling out online applications for free admission to higher education institutions such as colleges and universities.

## Samvidhan Samjho toh

In the program "Samvidhan Samjho Toh", fellows reach out to communities to raise awareness about the Preamble of the Constitution of India. To make the learning process fun and engaging, the fellows use various puzzle and quiz games with young people in the community.
